

## Samantha Kelly Herban

June 27, 1983 - June 10, 2015

Samantha Kelly Herban, 31, of Charlotte died unexpectedly on June 10, 2015. She was born June 27, 1983 in Ft. Campbell, Kentucky to Greg and Elizabeth (Hayhoe) Herban. She graduated from Potterville High School. Samantha loved music, especially anything loud that she could dance to. She was always on the go, and was known for her big heart - she was always concerned about helping others. She liked to crochet, and fish, but her favorite activities were always with her children. She loved spending time with them, and any activity they did together was special.

Samantha is survived by her son Anthony; daughter Kaitlyn; parents Greg and Elizabeth Herban; brothers Greg (Teraesa) Herban, Dale (Brandy) Herban, and Andrew (Kelli) Herban; grandfather Dick Rosen; and grandfather Bill Tousley. She was predeceased by her grandmother Ilah Tousley and grandmother Erma Jean Rosen.

Services will be held at a later date. If desired memorial contributions may be made to The American Cancer Society in Samantha's name. The family is in the care of Pray Funeral Home. “ *Samantha was a great aunt to Skylar and she still misses talking to her on the phone sometimes about school and video games. She always kept her secrets and had Skylar's back no matter what, and we miss her dearly. She was much too young, left too many who loved and cared for her behind, and I wish we could shown her more how much she meant to us and everyone. I pray for her children and mom every night, as does Skylar.*

*Samantha, I hope you have peace now and you will always be in our hearts.*

“ I can hardly believe I didn't know about your passing sooner Sam!! I would like to give my sincerest sympathy, thoughts and prayers to Samantha's family and everyone that loved her!!! I remember working at Spartan with her father and Sam, she would walk there and wait for Greg to get out of work after school sometimes. She coined my nickname as, "snuffleufagus" because she always said, "every time I see you, you seem to have a cold". Sam would always sit with me and I would give her little odd jobs, just to keep her busy.... And I mostly think, to provide me with some entertainment. Sam was a young, refreshing break to what was often a somewhat stressful environment, listening to ticked off, stranded, motorhome owners! Sam.... You are and will always be, missed by many and loved ALWAYS!! Way to young, way too soon!! RIP young lady!!

“ My thoughts go out to Sam's family, This has bothered me for over a month now, just got back into town and kept thinking about her and how I wanted her to finally meet my miracle baby that she'd given me big congratulations on and ever offered to come stay in the hospital with me when I was alone...I should just taken that moment to reach out...Sam you were there when no one else was when we were teenagers, even through the birth of my niece when I couldn't be there, my heart hurts that your joyfulness isn't around anymore, love you and am constantly thinking about you, you're so very deeply missed!!!
