“*Monty Tony & Lynn, So sorry for your loss, lots of great memories from when I was kid hanging out at your house when you lived by south ridge school and memories from bowling alley when she worked there. She actually served me my first legal drink when I turned 21 at bowling alley she even sang happy birthday to me that night. She always had smile when I seen her, she was one heck of hard working lady she busted her butt at every job she had, she should have had many great employee awards for her hard work. I was very proud of her she treated me like her own kid. My thought and prayers are with you all.*
