

Sandra Linn Sevenski

January 4, 1949 - March 18, 2020

Sandra “Sandy” Linn Sevenski, a warm and loving mother, grandmother, and great-grandmother, died unexpectedly at home in Elmira, MI. Sandy was born January 4, 1949 in Onaway, MI. She married Michael John Sevenski on February 25, 1967, and the two lived a life of love and happiness raising their 4 children. As an adult, Sandy attended Olivet College and went to work for Eaton Intermediate School District in Early Childhood Development, retiring after many years of service. Mike and Sandy remained active at St. Mary Catholic Church in Charlotte throughout the years. Sandy loved singing, art, and time spent at the casino. She was known to adopt dogs from family members, and would always go out of her way to help others. Sandy loved time spent with her grandchildren, who lovingly called her “MeMe.” Following her husband, Michael’s death in 2019, Sandy moved up north to the family property in Elmira, where she kept busy with her group of friends. They called themselves the “Widow’s Club,” and they played cards and took care of each other. Many will miss Sandy, especially her ability to make others laugh, even at inappropriate times.

Sandy is survived by her children, Renee Sevenski, Michael John Sevenski II, Cami Sevenski, and Ryan (Dawn) Sevenski; grandchildren, Kelsey (Michael) Sailor, Konner Whiting, Anna Marie Sevenski, and Steven Michael Sevenski; great-grandchildren, Michael and Ty Sailor; and several siblings, nieces and nephews. She was predeceased by her husband of 52 years,

Michael John Sevenski in 2019.

Friends are encouraged to support Sandy's family. Memorial services will be planned at a later date when quarantine and sheltering guidelines have been eased. If desired, the family suggests memorial contributions to Special Olympics Michigan or Hospice of Lansing. Friends and family are encouraged to share memories of Sandy on her Tribute Page at www.PrayFuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ I worked with Sandy at Meadowview Schools back in the '70s. She was a wonderful lady and a great asset for the school. Mark Dennis said it all in his Tribute and I heartily agree!
Her smile and laughter would light up a room. Thanks for the Memories!
Rest in Peace!

“ David and I send our sympathy to Sandy's family at this sad time. We remember well her smile and her love of children. Cami and Konner introduced us to her and we were so glad to know her. She had such a positive influence on our niece through her work at Eaton Intermediate. Surely, she will be missed by many in our community. We will look forward to a future memorial service for Sandy where we can give you our condolences in person.

We thought she was coming down to yell at us....she decided to join us. Not bad for a 71 year old.

“ Lots of tears here in Arizona today. Memories keep flowing of all the good times we had, both at school and with the many years of musical adventures. Sandy was smart, kind, talented and hilarious. Fiercely devoted to family and to helping anyone in need. One of the best student advocates I've ever known. We wish that her family, and all her buddies, could have had just a little more time with her love, support and humor. Her friendship made life better, and her antics kept us entertained. It was such a gift to have known Sandy, and to have shared so many wonderful “Meadowview years” with her. To all of the 7-ski clan - our hearts go out to you.

“ I have such fun memories of Sandy and the things we were involved with at St. Mary's school when our kids were young. I've never met anyone with such zest for life and so much energy. She was so quick with a smile and a joke and could always make you laugh. She was such a generous and faith-filled lady and I can't believe she's gone. I am so sad for your family.

“ My sincere condolences to Sandy's family. You meant everything to her and she was always so proud of each of you. Although I am surprised to learn of her passing, I know that she is reunited, finally, with her beloved Mike.
Sandy was one of my very favorite people at Eaton ISD. Her kind heart and sensational sense of humor drew all of us to her like a magnet. You are all in my thoughts and prayers during this sad time.

“ So many amazing memories with my wonderful grandma. The one that first taught me to cook and bake, to laugh at myself, to look at other people through different eyes. "You never know what they're going through" she'd say. She helped me with questions on how to help my kids. She helped me when I needed someone to lean to. She protected me. I mourn over her loss, but I quickly smile with all the stories she has left me. I will always miss her and my papa. Love you most ❤️

“ Sandy is one of the most beautiful person I have known. She was a saint wherever she was. I've never laughed so hard when she would share her Eaton RESA stories. She taught some of us how to gamble, appreciate life and find the good in all. I'm sure she is making the angels laugh. She will be missed.

“ What a loss to a wonderful family, Sandy and Mike were always there for their family. Sandy always had a smile on her face and laughed so easily, a fun lady. We shared many a Sunday night bingo at St. Mary's as well as Friday night football games at Charlotte High School. She is now with her beloved Mike, may they both rest in peace. The Sevenski family is in our prayers.

“ *"Aunt" Sandy was a dear family friend who I grew up with. She, as well as all 4 of her amazing children, helped my parents raise myself and my many brothers and sisters. I have always remembered those great times at the house in Charlotte, MI. My family and I are truly saddened and are sending prayers to the family.*
