“ I’ve known Scott since about 1967 all us kids who grew up on the north end of town knew each other. Every time when he would ride his bike past mom and dad house he would either wavy or stop and talk with us, in all the years I’ve known Scott I never knew him too hate anybody, hear him swear, or had a bad word for anybody. When my dad past away back in 2002 he made sure too stop and gave his condolences. Scott was just a person that was trying to make it in this world. I am very sorry too hear about Scott pasting away, my condolences too the family. Scott: Please rest in peace and God speed.
