“ Scott, I've known you for almost 25 years. You first knew me a babysitter, so from there on out that's what I was babysitter! Still to this day when I came in for an oil change that's what you would say! I'm truly going to miss you! What a gift it was knowing you!

“ Leon and all the family. My sister shared this news with me today. My heart is broken. From the time I was in Kindergarten until Junior High. Scott and I were best friends. After that we were always glad to bump into each other and catch up. I hadn't talked to him in probably 15 years. But all I can think of is growing up as best friends. Scott and I did everything together. Bikes on Stewart Road, making straw-bale forts at the neighbors, playing with GI Joe figures all the time, baseball in the yard, basketball in the driveway, little league, camping, horseback riding, hanging out at rodeos. Sleep overs every weekend. Renting video games and playing until our thumbs hurt. All the best things with my best friend. Scott was a great friend, and a great guy. I remember the last time we bumped into each other and talked and he told me about his family and I could see how happy that made him. I can't believe he's gone. All my love to all of your family, Scott. Rest in peace my friend.

“ I'll miss my best friend and was absolutely crushed finding out. It'll take a long time to even begin to get use to life without my brother! 20 years of being best friends and we had a lot of good times! Never had an argument in all those years! Love you bro! You'll be missed beyond words can describe...

*Leon I'm so very sorry for your loss and Karmen's loss. I know how she was such a daddy's girl. Scott would pick up from daycare and Karmen's face would light up and she would run to his arms. Scott was very loved by many. My prayers and Love are being sent to you and the family. R.I.P Scott you will be missed 🙏💜🙏💜🙏*

“ *I am so so sorry - this breaks my heart. Scott was a neighbor growing up on Stewart Road and was always a great, lighthearted and funny person! I just saw him last week with what must have been the youngest daughter - I commented that they were twins! What a happy soul he was every time I saw him during my oil changes too. I will miss him and his great spirit. My prayers to the McIntyre family.*

*I'm so sorry to hear this. He always was so friendly and joked with me about my lack of knowledge about oil and basically how a car works! He will be missed. Prayers for the family.*
