“ Robin & Jacqueline, Jason, Jeremy, Justin and Jacob, our hearts are heavy with sorrow for all of you during this difficult time you are going through. We wish that we could be there for all of you even if its just to lend a shoulder to cry on or to just sit and listen. We are unable to make the trip right now but please know that we will be there in spirit and our thoughts will be on all of you during this difficult time. We love all of you and miss everyone and we are truly going to miss Scott. I am so sad when I think about Scott and yet when I remember the first time I meant him I laugh so hard it brings tears to my eyes. No one warned me about how much of a prankster he was so I found out the hard way when he was patting Brian on the butt and telling me that they had a thing going on between them. Lol So every-time I seen him after that he always had to make sure that I was looking when he did it. So those were one of my happy times that I will always remember about him. Love and hugs to all of you.
