“ *Memories are forever and I have so many with you and can't just pick one but I will let everyone know!! We met when u were working at cni plastics and we were friends since. We had our moments at times but I always seen it as you were a sister of mine and we would always be close no matter what. I was right!! The only regret I have is not talking with you since Feb 7, since I moved to Florida we haven't talked nearly enough and now I regret it even more. You were/are my sister and I love you girl..xoxox*
