“ Heartbroken at the news of Sharis passing. Shari Anzaldua was one of those people who set the foundation of what friendships should be like.

She was SO KIND to everyone! She loved her family (her dogs) and her friends fiercely.

I was so fortunate to work with Shari at Eaton Federal in Charlotte! She's a brick in my fountain of who I am. While life sent us to different locations - she will always be a part of my happiness and history. All my love & sympathy to Chris and family 💔

And Shari - thank you for the wonderful friend you were! RIP. The world lost a good one.

“ Shari was such a kind person! I work for ADP and met her through her job at Michigan Farm Bureau. She always asked about my family when we spoke and she had great advice for me when we got a new puppy a couple of years ago. I enjoyed working with her and will miss my interactions with her. I will remember her fondly and will keep her family in my thoughts and prayers.

“ Shari was a kind and wonderful person, always there and always willing to help out whenever we needed an extra hand. There's so much that should be said at this time, but no words seem adequate. I hope you know you're being thought about and cared about and hope that you find special comfort in knowing how much Shari meant to all of us. She will remain in your heart and ours forever.

“ To all of Shari's family I am so sorry to hear of her passing. I have fond memories of her and Jim, Sharon and David as neighbors when she was little. Our families shared some fun times together as well as with other families in the neighborhood. She was always friendly when I would run into her and such a sweet person. I'll keep all of you in my prayers.

*Shari was such a beautiful soul. We didn't see each other as often as we'd like to but whenever we did we picked right up where we left off. She was an amazing friend, she loved her family with all of her heart, which was huge and family included her dogs. I will never forget Shari, her smile, her stubbornness, honesty, a genuine kindness and will miss her so much. My heart goes out to Chris and her children and parents. Know that she loved you with all she had. God Bless  
RIP my Friend ❤️*
