“ Sorry to hear about Sharon. She was a good woman and she will be missed by everyone. Sharon and Lee were former next door neighbors and friends and they both left this world too soon. We are in Florida for the month of February so we will not be able to attend her services but our thoughts and prayers are with her Family.
Sincerely,
Gary and Rosie Thelen

“ I only knew your Mom for a few years Julie but we became good friends who shared a lot of the same experiences. I will miss the times we were able to get together and go to a movie or dinner or to the cabin with Gary and Sharon. I would usually drive because she did not like the highway driving but she knew every back road to get where we needed to be and she was the navigator. She was a great lady and I am so happy that I got to have her in my life. May God be with all of you during this difficult time and give you strength now and in the times ahead. My love to all of you. Aunt Jan
