“ I remember seeing Sharon a lot when I was little. What I remember most about her was her eye shadow. I've missed her and my cousins. I'll never ever forget her 😭😭

“ *Grandma I will always cherish the time we had together. I will miss you everyday. Every time I walk through a store with my wife she always asks me why I am walking so fast. It was because of walking with you. Always walking fast everywhere you went. I love you so much. Until we meet again.*

“ Sharon was my gift from God in her friendship! We would have so much fun going out and about! She will forever be in my heart! At times we would find something funny and just laugh and laugh until we couldn't look at each other any more lol. I will miss our chats about nothing, something and everything! She will be my best friend for ever until we have been there for 10,000 years! So grateful that I will see her again one day! To all her children...I learned to love each of you through her love for you all! I am always here for you and will always pray for each of you! Oh...how much more I can say, but too much to do so!
