“ My mom and I may not of always seen eye to eye on many things but she will still my mom. I have my love for animals, especially Horses thanks to her. It is comforting thay she's at peace and free of the disease which tried to beat her. I will always cherish the good memories. I know she's fishing in Heaven right now with her sister and brother. I love you mom.

“ Never will a day go by that she isn't there in your hearts and daily lives. It doesn't get easier, just becomes a new normal. Even four yrs after her broth, my dad, passed I still want to pick up the phone to call him. She and the family are in my thoughts.
