“ We made such a good Silent Auction team. We were so looking forward to spending time together without a deadline looming. It is such a shock to lose you so suddenly. Maybe you were needed to organize fun events in Heaven. We will sure miss you, Sheila.

“ Sheila will be missed by all her friends on Drummond Island. Her efforts to continue the restoration and preservation of the DeTour Reef Light had only begun. She shared the fun in 2 seasons of plays at the DeTour Fine arts Center. She was the hostess with the mostest at the Drummond Island Red Hats luncheons. Farewell my friend. We didn't get to say goodbye.

“ We are very saddened to hear of Sheila's passing. She became a member of the Order of the Eastern Star in May of 2007. We will honor her memory with a short memorial at our next meeting in August and we will also be making a donation to our educational scholarship fund. In this way her kindness and generosity will continue to benefit others in the future. Our sincere sympathy,

“ On behalf of the crew at Coast Guard Station St. Ignace; please accept our deepest sympathy. Sheila’s enthusiasm for community involvement, specifically in the area of boating safety, was unparalleled and will be sorely missed. We will remember the hours she spent with us over the years passing out water safety pamphlets during National Safe Boating Week and also during the St. Ignace Car Show weekend. We will remember the passion with which she pursued her vision for the Public Affairs programs and her steadfast approach to accomplishing her mission. Most of all, we will remember our shipmate, our friend, and the fellowship we were fortunate to have had the time to share with her.
