“ Good old Gronk, we graduated in 73 and kind of went our separate ways after. Steve was a gentle giant and rarely got upset, except the time I was late getting his Volkswagen beetle back to him after work at gas station downtown. Never saw him so upset with me. We had some great times back in the day. RIP Steven Randall, we miss you. Jerry (curly) Williams.

“ I was very saddened to hear that Steve had passed and my sincere condolences go out to his family. He truly was a very good guy! It was at our 50th reunion that I was able to somewhat catch up with him and I was so hoping to do so this spring! I will remember the times we spent on the various athletic teams together and all the memories we shared from those days! I cannot make the service but I am sure it will be an awesome one. Rest in Peace

“ Condolences to the family, The picture of Steve is how I will always remember him. I was a year behind Steve in school, as all that went there know, you knew most everybody 2 yrs ahead and 2 yrs behind. Steve was always game to do a prank or just create some laughs, most always in a good way, I reconnected with Steve in the last few years on Facebook, which was a great blessing. RIP my good friend,

“ Steve, was a year ahead of me in school, but he always had a shy smile when he looked at me. He was always sweet to me!  
In the past few years, we have been friends on Facebook. I was happy that he found a Good Lady, to love him and be loved back!  
We had good messages to and from each other on Facebook!  
Thankful, to have known him.  
Praying for His family!

Yeah, Gronk, only guy I know that could break a live tree limb off of a tree to finish off a deer. Good memories.

“ I dated Steve briefly in high school. He was always kind and respectful.

He was at our 50th class reunion and was already having heart trouble.

He will be remembered fondly.
