“ *Mary Jo, I wish I could be there to hug you and smile with you, knowing Steve is standing face to face with our heavenly father. Oh what JOY he must be filled with. What peace. It doesn't stop my tears, and I'll cry right along with you. But I know someday we will be together again. Thank you for all you and Steve have done in my life and in my family's lives. I love you dearly, Melissa*
