

Terri Lyn Visscher

December 15, 1966 - January 31, 2022

Terri Lynn Visscher, a world traveler, highly recognized and accomplished flight attendant, beloved sister, and loving daughter passed away January 31, 2022 at her family's home in Charlotte. Terri, 55, of Charlotte was born December 15, 1966 in Muskegon to Eugene (Gene) and Barbara (Heneveld) Visscher. Terri graduated from Charlotte High School in 1985. Following high school, she graduated from Davenport University before finding her life's passion of becoming a flight attendant. One of her proudest moments was when she graduated from the Northwest Flight Attendant school. She lived in Hawaii for 18 years taking care of passengers on flights from Honolulu to Tokyo and beyond. Though she was frequently far away, Terri valued her friendships and connections with her nieces, nephews and friends' kids. She would often travel half way around the world to attend a birthday party, dance recital, or just to say Hello. After her retirement, Terri returned to Charlotte where she continued to nurture her other passion, family and friends. She was often referred to as the "Favorite Aunt." With a heart of gold and a passion for life, Terri lived each day to the fullest. Her generous spirit was often demonstrated through her willingness to help anyone at any time. During the holiday seasons, the smell of chocolate chip cookies and "Terri's Special Chex Mix" would emanate from the Visscher kitchen with great anticipation from all. Terri will be dearly missed by anyone who was blessed enough to have had the opportunity to know her.

Terri is survived by her parents; Eugene and Barbara (Heneveld) Visscher; brother, Jerry (Shannon) Visscher; sister, Traci (Dr. Kendall) Bos; 4 nieces; Samantha Visscher, Madelynn Visscher, Lauren Visscher, Reagan Bos; 2 nephews; Emmitt Visscher, Ethan Bos; and numerous loving aunts, uncles and cousins.

A celebration of life will be held at a later date in the spring. It will be webcast so you may watch it from any computer, smartphone, or mobile device that has internet access. Go to www.prayfuneral.com, click on Terri Lynn Visscher tribute, then click on Photos & videos from your computer (or Media from your smart phone). Just prior to the beginning of the service, a link will appear on this page to watch the webcast. If desired, the family suggests memorial contributions to palliative care. Family and friends are encouraged to share remembrances and condolences online in Terri's Tribute Page at www.prayfuneral.com. The family is in the care of Pray Funeral Home, Charlotte, MI.

I've thought of you often during the years. I'm sorry we lost touch with each other after our lives moved in different directions. We shared a lot of laughs over the years that we were roommates in Honolulu. One memory comes to mind, when we would have a feast of pupus prepared to sit and watch our reality TV shows. Sending gentle hugs and warm prayers. Aloha my friend.

*Such a beautiful celebration of life for our sweet Terri.
The memories that we all shared with her will remain in our hearts forever. She was truly a gift for all.
Her sense of humor, her laughter, and her beautiful smile brightened every life she touched.
There are so many wonderful memories, but the one thing I could always count on...she could make me laugh until I had tears running down my cheeks.
Prayers and hugs to the family.❤️
Rest in Love sweet Terri. 🌸🌈*

“ Terri Terri Terri, what a great friend. Always a friendly smile for everyone. Always in a great mood. I have seen her angry at anyone or anyone angry at her. We live in the skies and its not easy all the time with so many personalities. Terri was always a super person. My favorite dish of hers was the macaroni salad. We lived together about 5 or 6 yeas. If we had a trip together shed say, Sam what you want to eat on the plane tomorrow and I'd say macaroni salad. We hung together, shopping, dining out and doing fun things on the island. So so many great memories. To the family, thanks for sharing Terri with us. She will be greatly missed but will live on in my hear. Love you Terri - my heart is broken - Sam

“ Terri what a gal! Such a warm spirited and funny soul. Most of the Honolulu based flight attendants all grew up together - I had the pleasure for knowing her those 18 years with many adventures in Waikiki and Our many travels in Japan our home away from home. It hurts my heart to hear this news, my deepest condolences to her family and friends! Many memories she was a gem.

“ We had the Great pleasure to work with Terri at Northwest Airlines out of the Honolulu Base. Not only was she a co-worker but treasured friend. When ever we saw her name on one of our trips we knew we were going to have a fantastic flight and could not wait to see what munchies she had packed for us to share. (Even though she used the smallest baggies I had ever seen!) Her smile and laughter wether it be on the plane, layover or off time together in Honolulu truly made your day. Terri will truly be missed. Our Deepest Condolences to the entire Visscher Family. With much Aloha - Steve Hanson and Eron Fleming

While based in HNL I viewed Terri as one of the funnest persons to fly with. I always told her that she should've been a stand-up comedian—she was incredibly humorous, funny and witty. She touched all the HNL FAs in such a caring and loving fashion in the 1990s and 2000s. She will be missed dearly by so many of the Northwest Airlines Honolulu based FAs. Will remember you forever and I'm Blessed to have been a small part of your life, Terri.

“ I met Terri in Honolulu and we became roommates and great friends for many years. She was the type of friend that if we hadn't spoken in a number of months that first call, we were right back like no time had even passed . She was so sharing always thinking of others. It made me smile to read about all her gift bags at Christmas because even when she was in Honolulu she had the kitchen filled with bags loading them with treats to send out! That was just her nature and what made her such a good flight attendant. She came and visited me during the summer, we had so many forest fires that she had to ride a bus for 12 hours from Anchorage to Fairbanks after hanging out in Anchorage all day because she was determined to visit me at home. She was that kind of friend and I will forever have a place in my heart for her.. RIP Terri and my deepest condolences to Terri's family.
