“ I was Carol's bridesmaid, when she married Terry in 1965. I, also stood up with them, when they repeated their vows, years later. Carol was my best friend at Eastern High School, in Lansing.

Carol, Linda (Terry's 2nd wife), and I ran around together in high school.

My husband & I have been Facebook friends with Terry for years. We have noticed that Terry has Not been on fb for a few months, so, I looked Terry's name up, and, we see that he has passed.

ToTerry's Family: We are so sad, sorry to see that he has passed.

“ I did not know Terry personally because I was eight years younger, but I saw him a time or two. I did know Russ who was in my grade at Bingham grade school in Lansing and Robyn who was my sister's age by a year. Great Family. Nothing easy about it. May you feel Jesus arms around you at this time. Bryan Mitchell - Charlotte,MI was 1214 E. Kalamazoo St., Lansing, MI

“ I worked with Terry at Spartan Motors. He was a nice man that didn't know a stranger.
However he would tell you how it was. Haha
One of my favorite stories is when they took people from the floor and put them in temporary service positions answering calls.
Let's just say Terry didn't last very long at that position. 😭. RIP TC.
Until we meet again

“ I met Terry while working at spartan motors in the early 90's ! We became very good friends, we went hunting, horseback riding, and became best of friends. Carol his wife was a great friend as well, She knitted a blanket for my oldest son wyatt when he was born ! She was the most giving and caring person this world could ever ask for !Terry was broken at the loss of Carol, and I think he kind of lost himself at that point of a broken heart ! Terry and Carol were such a blessing in my families life and my son wyatt's life, we will always cherish,Love, and miss the both of them very much ! I can honestly say Terry was my best friend !
