

## Terry Allen Tast

January 27, 1952 - June 7, 2026

Terry Allen Tast, better known as T-Man, 74, of Charlotte, Michigan, a man who felt most at home in the outdoors, died June 7, 2026. Terry was born January 27, 1952, in Ashland, Wisconsin, the son of Paul and Joan (Barker) Tast. His father, Paul, passed away when Terry was four and his mother later married Chris Temcoff who became Terry's loving father.

Terry graduated from Charlotte High School in 1970 and married Susan Grace Larsen in 1972. He proudly served in the National Guard for six years. He worked for AT&T as a repairman for more than 35 years before spending five years as an EATRAN driver. When he wasn't working, he could often be found outdoors enjoying the simple pleasures of nature. He loved camping beneath the stars, canoeing or rafting across quiet waters, and gathering around a crackling campfire with family and friends. Whether listening to the sounds of the woods, or simply soaking in the beauty of the natural world, Terry found peace and joy outside, watering the yard and making it sing carols. If he wasn't in the yard, you would find him in the "geeraage" listening to the tunes of Bob Seger, AC/DC, and the roar of NASCAR engines. Terry's adventurous spirit, love of nature, and appreciation for life's simple moments will be remembered by all who knew him.

Terry is survived by his loving wife; daughter, Sara (Nick) Lincoln; granddaughter, Emma Lincoln; brother; Tracy (Deborah) Temcoff; and

godson, Casey Ward.

Friends are encouraged to support Terry's family by attending services or sharing memories on his Tribute Page at [www.prayfuneral.com](http://www.prayfuneral.com). A private celebration of life will be scheduled in July. If desired, the family suggests memorial contributions to Tower to Tunnels Foundation (T2T.org). The family is in the care of Pray Funeral Home, Charlotte.
