“ My condolences to the whole family. I am sorry we are out of state and cannot attend the funeral. I have loved Aunt Theda since my childhood. My thoughts and prayers are with all of you family members, that I have the best of memories with. The Silver Lake times are great to remember, and so much more. My first birthday party, given by Aunt Theda and family. I will always cherish those memories. I Love you all Linda (Newland) George

“ I remember, when I was younger, going up to Aunt Theda and Uncle Maurice's place on the lake. I always enjoyed myself. I also remember my first trip to Florida. Mom and I stayed with Grandma in the trailer by Aunt Theda and we went shopping at the flea markets and had a wonderful time. Aunt Theda and my husband and I always exchanged Christmas cards, even after we moved out of state. I was happy to get this year's card after Christmas and enjoyed reading her updates. I will miss her.

“ Your Mom was a sweet lady. I knew her from the nursing home taking care of your father. I was his aide and restorative aide. God Bless you all.
