“ Words seem inadequate to express the sadness we feel at the loss of Tom. When we lose someone we love, it seems that time stands still. What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why he left this earth so soon, or why he left before we were ready to say good-bye, but little by little, we begin to remember not just that he died, but that he lived. And that his life gave us memories too beautiful to forget. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. With love, Rick , TruDee, Lee , Chad and kids
