

Timothy David Maynard

September 28, 1948 - October 23, 2024

Timothy David Maynard always had a joke and was full of quiet surprises. He died with his family by his side on October 23, 2024. Tim was born in Escanaba to U.J. and Rita (Boudreau) Maynard on September 28, 1948. A graduate of Lansing Catholic Central in 1966 and later a graduate of Aquinas College, Tim got his real estate license and later went on to work for the Secretary of State as an IT manager for many years, as well as enlisting in the Army National Guard working out of the 119th Field Artillery unit in Charlotte for many years. A very kind and humble man, Tim never wanted recognition or attention, and often quietly gifted individuals that needed a helping hand and volunteered in many capacities, including many years as a statistician. He would say, "If you want to do something good, volunteer." Tim enjoyed many outdoor activities, including Golf as his favorite sport, sailing in Thunderbay, Michigan, and going to the woods and "sort of" hunting. Tim also enjoyed bowling on a league at CharLanes. His grandchildren were his pride and joy, and he loved woodworking and making toys for them. Passing down her favorite recipe to Tim, his mother taught him how to make the best pasties which his family and friends greatly enjoyed.

Timothy is survived by his wife, Diane; sons, Eric Maynard and David (Knut Eichhorn) Maynard; step-daughter, Angie (Jeff) Locke; 7 grandchildren; 3 great-grandchildren; sister, Lorna Grindel; and many beloved nieces and nephews. He was predeceased by his parents; and siblings, Kay, Aldia, and

Napolean.

“ Want to share my condolences to Tim's family. Tim was always a hoot to golf with. Always had some level of humor no matter how bad the shots were. Monday night league will not be the same without him. He was a great man who I'm going to indeed miss. Rest up buddy!

“ I have the memories of over 40 years of being able to have Tim as a friend, a fellow state employee and golfing experiences and stories too numerous to remember. We are both dedicated Spartan fans as well as willing workers for MSU athletics for anything they asked. We attended 3 MSU bowl games because we said each may be our last chance to share those experiences. I'll miss Tim and his humor, friendship and support in my times of need. Our regular morning coffee sessions will not be the same. Rest in peace my friend.

“ Tim and I were classmates starting in first grade at Resurrection and later at Gabriels. In second grade he sat behind me. I would draw comic characters, hand them to Tim who would then color them...until Sr. Marie Padua (Big Chief) confiscated them. Tim was always an affable guy, who would easily laugh. He was just the same a couple of years ago when I happened to see him at Royal Scot. Other than the fact that he was taller than I remembered and he had braces on his knees, he was the same good natured guy. P.S. I remember riding in Pinky with Gary Rittenburg (see previous comment) a couple of times with Tim too. My condolences to Tim's family.

“ Tim along with several other Gabriel’s High classmates had many adventures in Pinky my semi-famous pink Rambler. He was a great guy and though we grew apart my wife and I would always see him when we had Spartan Football tickets. I’m sure his family and friends will miss him dearly but remember him for the great example he set in his life. May he rest in peace with his gods love and care.

“ I am in disbelief and grateful to have shared time with Tim. I was there to witness his Hole in One on the Royal Scot North nine. He was so excited and I was so happy for him. Every time we reached that hole from then on I would retell it with our playing partners because Tim would not brag about it but proudly enjoyed the attention. Tim and I won the Molenda league championship trophy and green jackets one golfing season ... he was always great fun and I am better for knowing him. He will be greatly missed ! Prayers lifted for his family.

“ *I am so very sorry to learn of Tim's passing. We spent several years of fall Saturdays sitting next to each other in the Spartan Stadium press box doing all the stats for the Michigan State University football team. Tim was really great at his job as the computer input manager and problem solver as each game seemingly brought new surprises and challenges. He always kept his cool under lots of time pressure and was so very conscientious and detail oriented. After I retired from the booth in 2014 we remained friends and kept in touch via texts, usually just before a big game. I will really miss my good friend Tim.*

“ I remember Tim from the time I was a little girl. He was my “ big” cousin. Always looked forward to our summer visits when we would meet for our annual cousin dinner. There will be a very empty space now. Diane, and family, please know our hearts are broken for you. Much love and hugs....Teresa, Gisele and Stacy

“ So many memories how can we choose just one. Nights at our campfire at our cottage in Harrison, your delight in teasing our grands, your pasties are the best bar none, trios with you and Dee to Cancun and Hawaii are just a few. You will be so missed by so many. Rest easy until we all gather once again. 💜 Love, Den and Steff
