“ My heart goes out to Tracey’s family during this difficult time. I have gone through such a flood of memories and emotions since I heard of her untimely passing. Although it was so many years ago we called each other friend, I have never forgotten the times we had together and all the laughs. We were young and enjoyed exactly where we were to the fullest. The best thing was we could be ourselves no matter what. I loved seeing the pictures that showed your beautiful life and family. My prayers for everyone that has lost this special person, may the memories you shared fill your heart and that time and God’s love will help you heal.

“ Tracey, this is my third attempt at trying to write my comments!! I miss you! I love you! My heart is shattered into a Million pieces. I can't believe we don't get to retire together, in a warm place with a pool, and the ocean!!!! No more Thelma and Louise jokes!!! Our vacations were the most awesome!!! You were my bestfriend for over twenty years!!!! I can't even get my brain past, the fact that I won't have you in my life any longer!!! You shared so much with me!!! You even shared your family! Whom I love dearly!!!! You were the most generous and bighearted person I have known.. We have enjoyed uncountable moments!!!! Now, what am I to do???? I feel so selfish!!! It's hard to even imagine a Mothers loss, a sister's loss, a daughters loss!!! When I was just a friend!!!! But yet... how to continue on? You made life for me so much more tolerable!!!! You found whatever it was to get me through negative moments!!!! I will always love you my friend!!!

“ *I can't believe that you're gone 💔 we were best friends and more like sisters when we were growing up. We fought like sisters and made up like sisters, I can't remember a time growing up that we weren't together. This is such a shock I can't even begin to come to terms with it. My heart is broken and my mind is in disbelief. Prayers for the whole family especially Mary Jane, big hugs to you Mom.*

“ Tracey my beautiful friend. All you ever called me was girlfriend, I loved you and your beautiful, fun spirit. I'm pretty sure my Noah has already greeted you and is showing you around. He's a fun kid and I'm glad he has you. I can't even pick a favorite memory, but your birthday in the garage with the girls tops it all. I will never look at a Cherry cigar the same. Woohoo Tracey until we meet again.
