“ I can remember when he would come out to the bowling alley with Kelly and Gary when we all bowled together. What a mischievous and smart young man he was at that time. It was fun watching him grow up over the years. I am truly sorry to read about this and pray that God will support you through this difficult time Kelly and family.

“ I was Trent's 3rd grade teacher many, many years ago. Even then, he was a talented artist and I can still see the look of intense concentration on his face when he was drawing. I am so saddened by this news. Thinking of his family during this sad time.

“ I feel like the Skipper from Gilligan's Island when I think about my little Buddy. I am so sad that he's gone but I'm sure he's feeling better now. Trenton you will always be in my heart and I love you.

“ *Kelly, Jen and Bud, I am so sorry that you lost TT. He was the cutest little tow headed kid ever, with lots of curls. I know he was greeted at the gates of heaven with love from Gary and Ray. Thinking about you all! Robin*
