“ Greetings and condolences:

I believe that this gentleman may be a childhood friend. We lived at 1023 West Allegan Street in Lansing from about 1947 to 1952.

If I am correct, this is the David Bone who lived on the west side of Butler Street, just south of Allegan and about a block from my house. The last time and year we could have visited would have been early spring of 1952. After that, we moved to Rundle Street west of south Logan.

May David rest in peace.

With very kind regards to his family and friends,

Sincerely,

Michael P. Ryan
